

# à a carte coverage? Yes.

## Healthy Benefits Announces New Products Available to NRWA Members!

Healthy Benefits is pleased to offer even more benefits for you. The National Rural Water Association understands that you would like different options and choices when it comes to the needs of you and your staff. We are rolling out 4 new products available at a special rate as part of the Healthy Benefits Program.

Give members more protection despite rising health care costs. Accident, Cancer and Critical Illness available. No group policy needed.

Be prepared for the unexpected. No matter where you live, you could have access to vital emergency medical transportation. Coverage against unplanned medical emergencies is affordable.

Feel sick? Call a doctor. Diagnosis and treatment for non emergent health issues. Unlimited access for members and their families 24/7/365.

Specializing in benefit account administration since 1996. Health Savings Account, COBRA, Consolidated billing and much more.
