March 20, 2019- New Hampton

March 21, 2019- Eldridge

March 22, 2019 – Des Moines

## FREE WORKSHOP

The Iowa Rural Water Association would like to invite you to join us and your peers for a FREE training workshop. Get valuable information you need from our expert trainers to maintain compliance with state regulations.

This class will be a hands on demonstration of repairing submersible pumps and control panels. The morning session will consist of tearing down a pump for inspection and then correctly reassembling for proper operations. The afternoon session will cover troubleshooting control panel problems with an question and answer session for all covered material.

On site technical assistance is available from the Iowa Rural Water Association at no cost.
