FREE WORKSHOP

The Iowa Rural Water Association would like to invite you to join us and your peers for a FREE training workshop. Get valuable information you need from our expert trainers to maintain compliance with the Safe Drinking Water Act (SDWA) and state regulations.

With a variety of topics, speakers and presentations our training meets the requirements of system specialists (operators), management, office staff and decision makers.

Please visit our website and check out other training opportunities under the events tab, where you'll find details on dates, locations, speakers, topics and much more.

Technical assistance to address compliance issues is available from State Rural Water Association at no cost.
