Water System Maintenance and Repair Workshop

February 2019

Three locations to
choose from!

FREE WORKSHOP

The Iowa Rural Water Association would like to invite you to join us and your peers for a FREE training workshop. Get valuable information you need from our expert trainers to maintain compliance with the Safe Drinking Water Act (SDWA) and state regulations.

Get information on Water Tower Maintenance, Concrete Structures, Well Maintenance and Rehab, and Distribution Cleaning and Rehab via Ice Pigging Cleaning and Technology-Pipe Relining.

Please visit our website and check out other training opportunities under the events tab, where you'll find details on dates, locations, speakers, topics and much more.

Technical assistance to address compliance issues is available from State Rural Water Association at no cost.
