Course Sponsored by:

AGENDA

The Iowa Rural Water Association would like to invite you to attend our upcoming Competent Person Excavation Safety Training course. This course is intended to introduce the student to OSHA standard for Excavations. By attending this course, attendees should be able to demonstrate competency in testing methods and determination of soil types, identification of hazards associated with trenching & excavations, and an understanding of excavation protective systems.

TRAINERS:

Eric Juhl – United Rentals Trench Safety
Jeremy Neill – United Rentals Trench Safety
Andy Stouilil – United Rentals Trench Safety

This course will offer 6 CEU hours for Water Distribution or Wastewater.
